A LINEAR GREEN PROMENADE WITHIN THE FRONT SET BACKS AT ETA STAR LILAC HEIGHTS RESIDENTIAL TOWER, CHENNAI

# CORNERSCAPE

## ETA STAR LILAC HEIGHTS

PROJECT STATUS - COMPLETED - FEBRUARY 2016

## HIGHLIGHTS

- 105 Sq.M of a narrow frontage space along a public pavement on a prominent road in the heart of the city
- Provides a green promenade for pedestrians using the pavement
- Landscape elements provide for marketing/ advertisement banners
- A balanced culmination of both hardscape & softscape elements
- An evening garden for road users, offering a visual treat during peak hours
- Security cabin/ marketing office integrated into the landscape thereby making it a holistic approach towards design

# FRONT SPACE

PROJECT STATUS - COMPLETED - OCTOBER 2015

A 3000 sq. ft multipurpose landscaped outdoor garden space which serves as a performance venue to host a wide variety of outdoor entertainment activities, Chennai

## HIGHLIGHTS

- Textured free standing walls that provide as both boundary walls & backdrops for photo shoots
- Green walls with creepers & climbers that provide as accent features
- Brick paved outdoor floor areas that are both eco friendly & add detail to the quality of open space
- Vernacular styled gazebo
- Water body with stepping stones
- Walls clad with reclaimed packaging wood to once again provide as a decorative backdrop

# ZENTANGLE

PROJECT STATUS - COMPLETED - JUNE 2015

## HIGHLIGHTS

- Zen style dry garden areas • Buddha garden
- Fern garden
- Garden furniture with reclaimed bamboo & tree trunks • Gravel mounds • Landscape elements to enhance memories - A selfie point
